Dear Parents

Welcome to Holmer Green Senior School from the Parents' Association. We hope that your child will enjoy the time they spend here.

As you are more than likely aware, the school budget does not always make provision for the 'extras' that contribute to a rounded education and to this end the Parents' Association organise a variety of social events to raise funds for various projects and items requested by the school.

How can you help?

You can support the events that are held to raise funds. You could give us time by joining the helpers' list or you could become a Committee member which involves one meeting a month, usually on a Wednesday evening, lasting for about an hour. You could also join the Lucky Numbers club for which there are forms available.

Please consider giving a little of your time – it can make a difference to the enrichment of your child's education.

In order to update our database, please complete the slip below and return it to school office.

Thank you
