

16-19 Student Financial Support Policy & Application Form 2025/2026

The 16 to 19 Bursary Fund provides financial support to help students overcome the specific financial barriers to participation they face so they can remain in education. The bursary fund is intended to help students with their actual costs of participating, and bursary decisions are based on students' individual circumstances and their actual financial need.

Funding is provided by the Department for Education (DfE) and administered by the School. The School carries out a financial assessment of each applicant and administers bursaries in line with the DfE's Bursary Fund Guide 2025/26 [HERE](#) and as set out in this policy.

Students can learn more about these bursaries [HERE](#).

There are 2 types of 16 to 19 bursaries:

- bursaries for students in one of the defined vulnerable groups of up to £1,200 a year; and
- discretionary bursaries which institutions award to meet individual need, using policies they set in line with the DfE's funding rules

Defined vulnerable groups bursaries are awarded to students who have a financial need and who are:

- in care
- care leavers
- receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
- receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right as well as Employment and Support Allowance (ESA) or Universal Credit in their own right

The School conducts a financial needs assessment to confirm actual financial need and the amount of support required. Students do not automatically receive £1,200.

Discretionary bursaries are awarded by the School to help students with costs such as travel, essential books, equipment or specialist clothing (such as protective overalls, for example).

As with defined vulnerable groups bursaries, a financial needs assessment is conducted and the School bases decisions about which students receive a discretionary bursary and how much they receive on each student's individual circumstances and their actual financial need.

Students applying for a discretionary bursary should indicate on their application forms what they would like to use the bursary funding for. The School will consider requests for help with transport, books and equipment, school trips and other course-related costs, as well as the costs of attending industry placements, university interviews and open days.

Eligibility and Application Process

For all bursaries, students must be aged 16 or over but under 19 at 31 August 2025 to be eligible for help from the bursary fund in the 2025 to 2026 academic year. Students aged 19 or over are only eligible to receive a discretionary bursary if they are continuing on a study programme they began aged 16 to 18, or if they have an Education, Health, and Care Plan. Students must also meet the residency criteria in the DfE funding regulations for post-16 provision.

Once you have applied, the School will assess your application in line with the eligibility criteria set out here and will let you know if your application has been successful. If your application is successful you will be issued with an award letter confirming the amount and type of support you have been awarded and setting out any payment conditions.

Rather than paying money into your bank account, the School may decide to provide some or all of your award as 'in kind' support – this means that they will purchase the resources you require, such as a bus pass or books, on your behalf.

Students who meet the criteria for bursaries for vulnerable groups are not entitled to a bursary if they do not have financial needs and/or their financial needs are covered from other sources.

Please use the relevant form below to apply for either the vulnerable groups bursary or the discretionary bursary. All applications will be treated in strict confidence.

Timing

The 16-19 Student Financial Support is a limited fund and the school will prioritise allocation. Students who are eligible for funding should complete an application form and hand it to the Sixth Form Office as soon as possible, after admission to the Sixth Form, in September.

Conditions

A Student Financial Support Committee will meet to consider applications. Students who are deemed eligible should be aware that to continue to receive a bursary/funding:

- There must be no unauthorised absences during the school day
- They must maintain acceptable levels of behaviour and effort

The Head of Sixth Form does not make decisions about applications but they may offer information to the Committee about a student's circumstances, well-being, behaviour, progress and attendance.

Where the School purchases books or equipment, students may be asked to return these at the end of their study programme. On other occasions, the School may insist bursary payments are spent only on the support that has been identified as necessary to help a student participate in education. These details will be specified in the student's award letter.

Please note that when you apply for a bursary you are asked to confirm that the evidence you have provided is correct and complete to the best of your knowledge and belief. Supporting documentation must also be provided to establish financial need, as set out in the application forms below. Giving false or incomplete information that leads to incorrect/overpayment may result in future payments being stopped and any incorrectly paid funds being recovered. This might also result in a referral to the police with the possibility of the student and/or their family facing prosecution.

You must inform the School in writing if, after you are awarded a bursary, there is any material change in your personal or financial circumstances.

All information submitted by students will be treated in confidence and held securely.

The Student Financial Support Committee

The Student Financial Support Committee will normally meet three times per year (September, January and May to consider and review applications). Emergency meetings may need to be called.

The Student Financial Support Committee will be made up of the Headteacher (Chair), and the Director of Finance and Operations.

Assessment Criteria

The School follows the DfE's guidance in relation to eligibility criteria, and as part of that conducts a financial assessment of all applicant students. The evidence you will need to provide in relation to each bursary is clearly set out in the relevant application form. The School is looking to establish that you are in financial need and, in relation to the discretionary bursary, that you are in need of specific items or services relating to your education that you would otherwise need to pay for in order to participate.

The School bases its decisions in relation to both types of bursary award on students' individual circumstances and actual financial need. Awards will vary from student to student and will depend on, for example, household income, requirements of the study programme, distance required to travel to School and available transport options, the number of dependent children within a student's household, relevant participation needs, and any other relevant home circumstances.

Complaints

Learners and their parents/carers should understand that the available fund is limited. Any appeals against decisions can be made to the Chair of Governors, via the Clerk to the Governors who will follow the school's complaints procedure.
