

HOLMER GREEN SENIOR SCHOOL RISK REGISTER

Reviewed: June 2023 Agreed: June 2023

The Risk Register is targeted at a strategic level to provide a response to those areas identified that could have a significant impact on the school's reputation, its people (both students and staff) and its ability to operate and deliver effectively.

It is not designed to duplicate action already undertaken by the Governing Body, its committees or the school's Senior Leadership Team. It is however a document that should be used by all appropriate governors and staff.

It is designed to provide:

- a mechanism for identifying which risks represent opportunities and which represent pitfalls
- a clear view of the variables to which the school may be exposed
- a basis for determining the response required to a particular risk
- a format to review the preparedness to a particular risk
- the assessment of key indicators linked to a specific risk
- the opportunity to adjust action, by agreement, in mitigation

The Finance, Premises and Health and Safety Committee, will on behalf of the Trust and Governing Body manage the Risk Register and consider the following in its area of review:

- Development Plan (for mid-term objectives)
- Improvement Plan (for short term objectives)
- Self Evaluation documentation
- Audit reports (Ofsted, financial, health and safety, etc)
- Academic results
- Media coverage
- Other appropriate information

The Finance, Premises and Health and Safety Committee, in managing the Risk Register, will conduct a process whereby it requests information on action taken by, primarily, but not exclusively the following sources:

- Trustees
- Governing Body
- Governing Body Committees and Sub-Committees
- Senior Leadership Team
- Other staff as appropriate.

HOLMER GREEN SENIOR SCHOOL RISK REGISTER

In summary, the Risk Register's purpose is to highlight potential weakness, prompt appropriate action by appropriate Governors and the Senior Leadership Team, and review the impact of action taken.

Areas covered by the Risk Register will be positioned under the following headings:

Strategic	<i>Includes:</i> funding, student capacity, curriculum, standards of achievement, Child Protection, Governance
Operational	<i>Includes:</i> teaching, support functions, information technology, management
Financial	<i>Includes:</i> budget, controls, systems, transactions, loss, risks
Compliance	<i>Includes:</i> national and professional standards, educational and legal obligations
Reputational	<i>Includes:</i> failure to deliver in all four areas above, plus public relations and communications

Guidelines for determining likelihood of risk being realised:

4: Very likely	Risk has a high probability of happening
3: Likely	Risk is more probably than not going to happen

HOLMER GREEN SENIOR SCHOOL RISK REGISTER

2: Possible	Risk may happen
1: Unlikely	Risk has a low probability of occurrence

Guidelines (and examples) for determining potential severity of risk being realised:

SEVERITY RATING	Financial Impact	Non Financial Impacts		
		Reputation	People	Operations
4 Extreme	Over £200,000	Severe reputation impact: - prominently covered in national and specialist media	Severe impact on people: - Fatality - Severe Child Protection breach - Students are withdrawn - A number of staff leave as a result	Severe operational disruption: - major facility / service unavailable for more than one week
3 Serious	£50,000 - £200,000	Reputation impact of lasting effect: - prominently covered in local and specialist media; - significant league table position change	Serious impact on people: - Serious accident, major injury, life changing consequences - Long term-ill health - Serious Child protection breach - Widespread cause of significant dissatisfaction and de-motivation	Major operational impact: - unavailability of a facility / service causing delays in processes - serious waste of resources

Note: to be kept under review – linked to progressive revenue surplus and project commitments

HOLMER GREEN SENIOR SCHOOL RISK REGISTER

2 Significant	£20,000 - £50,000	Reputation impacted in local / specialist area: - covered in specialist media but not noticeable to wider public	Significant impact on people: - Significant injury - Cause for concern amongst students, parents and staff - no lasting consequences	Significant operational impact: - Health issue requiring concerted management attention - Disruption in a few departments / delaying major academic processes
1 Marginal	£2,500- £20,000	Internal awareness impact: - may be evident to those close to the event / area of interest	Minor impact on people: - unsettling rumours	Minor operational impact: - secondary system or process disrupted for less than a week

Colour Coding for Governors:

Full Governors	Trust & Executive
