GCSE Results 2019

Holmer Green Senior School students continue to excel and push themselves with some making incredible progress from their prior starting points this year. Our top performers have secured the best grades from 7-9, with one student achieving six grade 9s, a superb achievement. In total 41 students secured grade 9s across a variety of subjects including: Religious studies, Art, Maths, English, Sciences.

We are delighted that 73% of our students achieved 5 GCSE grades at 9-4 or A*-C including English and Maths. Across the whole school 17% of grades were 9-7 or A*-A, and 33% of all grades were 9-6 or A*-B. Over 20% of grades in Art, Chemistry, Biology and Physics were 9-8 or A* which is an amazing achievement. Over 20% of grades were 9-7 or A*-A grades in Maths, History, PE, Photography and Religious Studies.

Headteacher, Ed Hillyard commented: "Year on year, Holmer Green Senior School students continue to rise to the challenge of ever more difficult GCSEs and do well. The school congratulates another fantastic group of young people. Their successes are a real testament to the hard work and partnership between students, staff and parents. It is also great to see so many of our students stay on at our Sixth Form as they enjoy the personalised support that is provided and the challenge."
