Holmer Green is a popular 11 to 18 school with 1100 students (140+ in the Sixth Form) and is expanding. As a school we are in the top 10% of schools nationally for KS4 progress and in the top 5% of schools nationally for KS5 progress. The school has a range of newly built modern facilities, including a purpose built English and Maths block, new cafeteria and fitness suite.

We can offer 8 staff training days (not the 5 you find in most schools), a two-week October half term, professional development of a high standard. We take our staff well-being seriously and offer weekly activities, like team sports.

Holmer Green Senior School is offering an exceptional opportunity to lead our Psychology Department, which has high uptake of students at A Level.

We are looking for a passionate person who is enthusiastic about Psychology. You would be ambitious for our students and community, support our inclusive ethos and welcome the chance to flourish in an outstanding area. The teaching timetable will include teaching across all key stages.

The Head of Department would look to continue to develop this subject area into an area of excellence, by bringing the subject area to life and promoting it beyond the classroom through enrichment activities. The Head of Department will form part the middle leadership team and will contribute to whole school CPD and peer coaching programmes.
