Holmer Green is a popular 11 to 18 school with 1100 students (150+ in the Sixth Form) and is expanding. As a school we are in the top 10% of schools nationally for KS4 progress and in the top 5% of schools nationally for KS5 progress. As part of our expansion plan we are also looking forward to a range of new modern facilities.

We can offer 8 staff training days (not the 5 you find in most schools), a two week October half term, professional development of a high standard. We take our staff well-being seriously and offer weekly activities, like team sports, free use of a new fitness suite, a Staff Forum, access to Employee Assistance Programme, car parking, paid lunch duties plus free lunch with the lunch duty.

Holmer Green Senior School is looking to appoint a permanent, full-time, outstanding teacher to join our committed team of specialist staff in the Science Department. We have just built a number of new Science laboratories to support the growing demand for the Sciences. A specialism in Chemistry or Physics would be an advantage.

We are looking for a passionate person who is ambitious for our students and community and will support our inclusive ethos. We can offer teaching of all the Science disciplines at A Level and additionally Level 3 BTEC Applied Science.

We welcome visits to the school by prospective applicants to please contact Liz Plascott below to make arrangements, or for any further information.

Applications are sought from high calibre professionals who have the skills and talent to continue to develop the department and work as part of our committed team.

Please apply by sending a completed Holmer Green Senior School Application Form with covering letter addressed to the Headteacher.

For an application pack, please see our website [www.hgss.co.uk](http://www.hgss.co.uk) or contact Ms Liz Plascott directly on 01494 719907 or at [plascottl@holmer.org.uk](mailto:plascottl@holmer.org.uk)

**Closing date for applications: Monday 18 March 2024 at 9.00am**
