

**At HGSS, we read to our students in form-time twice a week.**

## **Why Modelling and Reading Aloud are Beneficial for Students**

Modelling and reading aloud are powerful tools in education. They offer a variety of benefits for students.

**Upload a photo of our students above**

Inspiring a Love of Reading through:

**Sharing engaging stories:** Reading aloud can introduce students to a variety of genres and authors, sparking their interest in reading.

**Creating a positive association:** When students associate reading with enjoyment and relaxation, they are more likely to become lifelong readers.

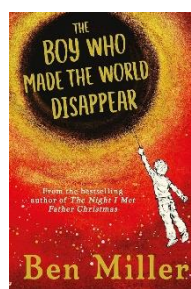

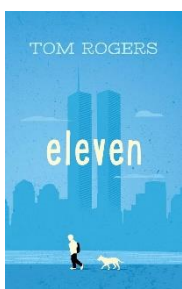

**Social experience** that builds a sense of community and belonging.

**Opportunities to understand** different perspectives helps to create empathy.

**Exposure** to countless words and phrases not found in everyday dialogue.

**Coverage** of a wealth of themes and concepts that are valuable for personal development.

Here are just a few of the titles that we have available:

This is what our students have to say about reading in form time:
