

A Level Sociology

Summer Transition Pack

This pack contains a programme of activities and resources to prepare you to start studying Sociology in September. The activities introduce a range of key ideas and Sociological theories.

1. A Level Sociology Course Introduction
2. Task 1: Functional Functionalists
3. Task 2: Magnificent Marxists
4. Task 3: Feisty Feminism
5. Recommended reading list

Sociology is taught by Ms Kirkpatrick and Mr Nicholls at HGSS.

A Level Sociology Course Introduction

Sociology is the study of the society that we all live in. Sociology looks at how our social characteristics affect our chances and experiences in life. We study gender, ethnicity and social class and ask why different kinds of people are less likely to have good health, achieve good qualifications, have social status and be more likely to commit a crime, be poor and die at an early age.

Assessments
