

# THAMES VALLEY POLICE

We have seen several posts linking a national social media trend to schools in the Aylesbury area. The trend encourages pupils from opposing schools to meeting and starting a fight.

Whilst this will cause concern to our communities, we are monitoring the situation closely.

There will be an increased presence in several areas across Aylesbury, which will include reassurance patrols at schools listed on the social media posts, and contingency plans will also be in place should we need them.

We are taking this matter seriously, and we are working with partners and other interested parties, while carrying out intelligence checks, and any incidents reported to us will be investigated accordingly.

We would urge people with concerns to contact us promptly or call 999 if a crime is in progress.

For non-emergency, Schools may contact your local neighbourhood team by completing a form using the link below:

<https://www.thamesvalley.police.uk/area/your-area/>

Select your area, this will then take you to the correct neighbourhood team, then select Contact Us.

These forms are monitored regularly by Sergeants
